
Introducing
The History of the Rocklin Church of God
~Rocklin, California~

Our Beginning to Present

The Rocklin Church of God grew from the efforts of dedicated Christians who had proven that both Old and New Testament scriptures were essential for the proper understanding of God's plan of salvation for all mankind. Originally members of the Worldwide Church of God; these dedicated Christians formed an independent church as the parent church left the foundational truths of God's word, which ultimately led to the demise of the Worldwide Church.

Church services were held for nine years in the Rocklin Community Center. Beginning on February 1, 2009, the church relocated to its present location at 3175 Sunset Blvd. in Rocklin.

As a Church, we believe that:

- Jesus Christ is the absolute Head of the church. Apart from Jesus, we look to no human being, living or dead, as this church's founder, ruler, prophet, apostle, or spiritual director.
- The Holy Bible is the divinely inspired and preserved word of God. As the word of God, it clearly shows the way of Jesus Christ and remains the only standard for Christian faith, worship and practice. We recognize no other writing as an infallible interpretation or supplement to Holy Scripture.
- Salvation is a gift of God's grace, and comes to us solely by our faith in Jesus, who is the Savior of all mankind.
- Faith, however, is more than mental assent; it involves active repentance from sin and complete trust in God. We also believe that Christians will give evidence of saving faith with a life style that conforms to God's commandments.
- The Sabbath Day of God's law is the 7th day of the week. As such we observe Sabbath Services as a tangible expression of faith and rest in God as our Creator and Redeemer. We extend an open invitation to penitent sinners to accept Jesus Christ as Lord and Savior, to be baptized in His name, and to live according to His will. To this end, we conduct open worship services and Bible studies that glorify God, substantiate His Word, and strengthen Christian faith.

- The second coming of Jesus is imminent. We look forward to the climax of world history when Christ will establish The Kingdom of God on earth in fulfillment of all that God has promised to do.
- That there will be a resurrection of the dead, the judgment of all persons, the destruction of the wicked, and the reward of the saints who will live forever in the presence of God.
- Doctrinal beliefs should be established through Bible study and under the guidance of the Holy Spirit. We encourage growth in scriptural knowledge, understanding, and wisdom in the Church.

Our Fellowship

As servants of Jesus Christ we believe that:

- Local church attendance provides warm and lasting friendship with fellow Christians.
- Opportunities for worship, preaching, and Bible Study strengthen the Church in living as Christ wants.
- Wholesome social and recreational activities, with emphasis on the family strengthen the family structure which is a God-Plane relationship.
- The Gospel is to be preached as well on an international scope. As such, we associate with *The Intercontinental Church of God*.
- Member participation in the ministry of the Church is encouraged through the exercise of the God given gifts and talents of its members.

For More Information:

Feel free to joint us for Sabbath Services, visit our website at <http://www.icgsac.org>, or e-mail us at icgrocklin@ssctv.net. If you prefer, call us at (916) 580-7041. We would love to hear from you.
